**TUSCANY**  
SUITES & CASINO

# Why Become a Sponsor?

The Nevada Telecommunications Association is a thriving association of telephone and broadband companies who do business in Nevada, including competitive local exchange carriers and other telecommunications service providers.

Each year, the NTA annual conference gathers more than 40 companies from Nevada and other Southwestern states in the fall to share pressing industry information, make crucial business contacts, and more importantly, have a good time outside of the office!

Not only does the conference offer a unique opportunity to discover the latest news in Nevada's telecommunications space, but NTA offers the chance to support local communities through multiple scholarship donations. NTA is a non-profit organization and much of the profits from the conference go towards the continuing education of Nevada's high school seniors.

## **As a participating sponsor, your organization will have the opportunity to:**

- Interact with key decision makers of over 40 NTA associate member companies and invited non-member attendees!
- Increase brand awareness within our niche telecommunications community throughout the Southwest!
- Generate leads for new projects and potential contracts!
